

Engineering Excellence Recognized at Showcase Awards Gala

For Immediate Release
April 26, 2024

“Thirteen Awards of Excellence and twelve Awards of Merit were presented at the 27th Annual Consulting Engineers of Alberta Showcase Awards Gala held April 26 in Edmonton. Fifty-four projects were submitted this year from a cross section of Alberta’s consulting engineering firms. “These awards recognize the best-of-the best in engineering design and innovation,” says CEA President Jason Maurer.

“The winners this year reflect the exceptional minds in engineering who make a difference in the lives of all Albertans!” adds Maurer.

During the evening, the Lieutenant Governor’s Award for distinguished service was presented to Mr. Herb Kuehne, MBA, P. Eng. “We are very proud to recognize Herb for his long and distinguished career as a consulting engineer,” says CEA president, Maurer. Herb was a past president of CEA and also served on the ACEC Canada board. “Herb is very deserving of this prestigious award based on his contribution to our Industry,” commented CEO Ken Kozakewich.

Also in recognizing our young professionals, the Harold L. Morrison Award was presented to Caitlyn Osz-Theriault, P. Eng., CSM; a low carbon solutions specialist with Stantec Consulting, with five other highly qualified individuals nominated for the award. “One of the highlights of the Consulting Engineers of Alberta Awards Gala is to recognize the outstanding talents of a future leader,” says Jason Maurer.

The Consulting Engineers of Alberta are an important part of our knowledge-based economy. In Alberta, over 70 member-firms of the CEA employ nearly 10,000 professional engineers, technologists and support staff and contribute over \$1.9 billion annually directly to Alberta’s economy.
