

Consulting Engineers of Alberta MEMBERSHIP BENEFITS

OUR VISION

CEA is the respected and influential voice that shapes the future of our industry.

OUR MISSION

CEA promotes a sustainable consulting engineering industry for the benefit of society. We provide exceptional value to our member firms and clients.

OUR VALUES

We act with **INTEGRITY** as a trusted advisor **OUR PEOPLE** make the difference. We encourage **INNOVATION**. We achieve success through **TEAMWORK**. We strive for **EXCELLENCE** in all we do.

Why Join CEA?

CEA is the most vocal and effective advocate promoting and defending issues most important to the consulting engineering industry in Alberta. We help members be more successful by representing their interests with public funders and policy-makers, in the civil service and in elected office. CEA channels our members' concerns into a unified voice of authority and strength, creating a strong brand and a more effective lobby for our industry. Our strength is defined by the broad volunteer involvement it enjoys from its member firms and by the value-added programs and services offered by CEA.

CEA's role is to promote and enhance the business interests and opportunities of CEA member firms.

Top 10 Reasons to join CEA:

1. Provides a forum for sharing experiences and exchanging ideas
2. Unifies the voice of the consulting practice in Alberta
3. Allows participation in a group, improving business conditions
4. Enhances the image of engineers
5. Offers business practice advice, standard agreements, training programs, seminars and a central information source.
6. Protects legislative and regulatory interest
7. Creates opportunities for business contacts, partnering and marketing
8. Promotes selection of consultants on the basis of qualifications
9. Provides access to valuable business tools
10. Listens to the voice of small firms

Young Professionals' Group

Objectives of the CEA Young Professionals' Group:

- To contribute to the growth of the engineering consulting industry within Alberta.
- To better understand the function, role and business of the CEA.
- To promote, grow and understand the relationships between clients and consultants.
- To create a network of cross discipline young professionals within the engineering consulting industry.
- To actively participate in the committees and events sponsored by the CEA.
- To promote the benefits of and increase the membership of the Young Professionals Group.

The Young Professionals' Group offers networking and professional development opportunities through technical tours, seminars, mixers and conference!

CEA Affinity Partners

Take advantage of CEA member firm benefits through our affinity partners!
This is for all staff within the member firm.

Benefit Partners

Benefit Partners offers our members The Big Company Advantage program for their medical/dental insurance needs. A great employee benefits plan can be a key way to retain your best employees and attract new ones. The Big Company Advantage plan will help you save significant money on your benefits plan by getting insurance companies to treat you like a large company.

Lloyd Sadd Insurance Brokers

Lloyd Sadd Insurance Brokers is a specialist broker providing exclusive insurance programs and risk management services to design professionals. Lloyd Sadd can customize an insurance program to your needs as a design professional in a rapidly changing industry.

MNP

Enjoy a free 2-hour session for CEA members! Engage in an insightful and confidential discussion with our specialists about the unique opportunities and challenges of your business. From tax planning to business planning, employee retention to sale or succession, and many other topics like profit optimization and digital solutions – our subject-matter experts can provide insights and recommendations to move your business forward. Interested? Reach out to Karlus Andrews at 780-720-8712 to schedule a short, lead-up Discovery call and we'll tailor the Workshop to meet your unique needs!

TD Insurance

TD Insurance

Consulting Engineers of Alberta members can enjoy preferred rates on car, home, condo and tenant insurance through the TD Insurance Meloche Monnex Program.

As a trusted partner, the TD Insurance Meloche Monnex Program is dedicated to helping Consulting Engineers of Alberta members get access to preferred insurance rates on car, home, condo and tenant coverage. TD Insurance is the leading direct response insurance group in Canada†, offering quality insurance products for over 70 years. From getting a quote to filing a claim, TD's knowledgeable advisors will work to find options that best suit you.
